March 11th 2019

Dear Parents and Guardians,

The West Mifflin Police Department is aware of the recent threats made at the High School and Middle School.

The threats have been thoroughly investigated and appear to be unsubstantiated.

The safety of your children is the uppermost important to the police department. We will continue to investigate suspicious activities and threats and do everything reasonably possible to protect your children and the staff of the West Mifflin Area School District.

Respectfully,

Chief of Police
